

Compassion is caring enough to do something about someone else's need.

Follow the Leader

Play a game of "Follow the Leader." Take turns allowing everyone who wants to be the leader to have a chance. Try and incorporate actions that have the "followers" acting out things to help others.

KNOW that when we follow Jesus and do what He says we are caring about others.

Who Cares?

If you believe that caring about others is important you are following Jesus! We get to see a great example of what caring for others looks like when we read stories about how Jesus cared about others. Draw a picture of you caring for someone else. Show it to a grown up and tell them what you do to care!

THANK God for being an example of a caring friend.

Love One Another

Look up this week's verse. Grab some paper, scissors and something to write with. With the help of a grown-up, cut out three hearts. Write one word of "Love One Another" on each of the hearts you cut out. Tape the hearts in your room so when you wake up each day you can remember to love.

KNOW that when you show love to others you are showing them God's love.

Care Prayer

Pray and ask God to help you show care for others this week.

~~~~~  
 "Dear God, I pray that I can care for others this week. I want to show them that I care for them because You care. Thank You for all you do to teach me how to love and care for others."  
 ~~~~~

LOOK for ways that you can care about others around you.

Following Jesus means caring about others.
