***Serving in The Balkans***

##### Ministry Description

Our current job is to gain fluency in the Albanian language and to develop a deeper understanding of Albanian culture. In addition, we are focusing on developing deep connections with other Albanian believers who we can partner with in bringing the gospel to an unreached corner of the Albanian world once the language study portion of our ministry is completed.

##### Prayer Requests

- Pray for a continued smooth transition for our family to life in the Balkans
- Pray for continued grace for our children as they learn Albanian primarily through immersion at school
- Pray that we would continue to learn Albanian quickly and for perseverance with our language and cultural study
