Thank You

You people are giving us more and more reasons to love this church and those within it! Your consideration and compassion upon the rather abrupt deaths of Bill's brother and Doris' sister is most gratefully acknowledged. The floral plantings are truly beautiful and just one more reminder of how God's care for His people touches so many. A most heartfelt "thank you".

Bill & Doris Halliburton

The love and prayers of my Spring Creek family during my brother Don's long painful battle with cancer and his home going was manifested in the amazingly beautiful dish garden. I believe with all my heart that because of all the prayers Don opened his heart and is with Jesus.
