### Made to Thrive Sermon Series

Today Spring Creek will be launching a brand new sermon series designed to kick start your 2015 with power and inspiration. This new series is called, "Made to Thrive: Flourishing in 2015." So many people struggle through each week simply trying to make it to the weekend. But God has designed us to do more than just get through another day, another week, another year. God has designed us to THRIVE. This series will help you understand how you have been created by God and how to thrive physically, mentally, emotionally, and spiritually. You can flourish in 2015!
