## Thank You

My family and I want to thank you for the beautiful flower arrangement for my father's memorial service. We used it as the centerpiece for the reception after the service and received many compliments on how lovely it looked. It is wonderful to be part of the Spring Creek Church family and to know we are so loved and supported.

*David Keech and Family*

The pastors, directors, and staff gratefully thank the Spring Creek Family for your generous expressions of love given to us at the Harvest Dinner service.
