### Congregational Survey

At Spring Creek, we think it's important to listen to our church family. On May 22, we will be inviting your participation in an all church survey that will help us better plan for our future - specifically, the potential expansion of our facilities to accommodate the people God is sending to us.

In order to make the survey most effective and reliable, Spring Creekers need to become fully informed about this project. We held 6 meetings on this topic; information has been emailed to you and is also available at the information kiosk. Please insure you are up to speed before May 22.

The survey will be your opportunity to give our leaders the gift of your insight and opinion. We sincerely want everyone to "weigh in" on this important topic as we continue to seek God's will in our planning.
