College/20s

July brings us to a new series on Romans. One of the Masterpieces of Paul's Epistles, Romans is a deep book full of theological truths with challenging applications. For the upcoming 14 weeks we will be diving into this book verse by verse to pull out and study all we can from Paul's writing. We will be going from: our full sinfulness and guilt all the way through the process of salvation to the life of the believer. Be ready for lots of thinking, pulling scripture in from the entirety of the Bible and challenging our worldview as we begin: Romans. We meet every Sunday at 6:30pm in the upstairs of the student building.
