Serving with the Albanians

Ministry Description

Our current ministry assignment is to gain fluency in the Albanian language and to develop a deeper understanding of the Albanian culture. This phase of our ministry is the necessary foundation for our long-term goal of partnering with Albanians in bringing the Gospel to an unreached corner of the Albanian world.

Prayer Requests

- Pray for a continued smooth transition for our family to life in the Balkans.
- Pray for continued grace for our children as they learn Albanian primarily through immersion at school.
- Pray that we would continue to learn Albanian quickly and for perseverance with our language and cultural study.

Colossians 1:11-12—"May you be strengthened with all power, according to his glorious might, for all endurance and patience with joy, giving thanks to the Father, who has qualified you to share in the inheritance of the saints in light."
