Prayer Requests

• That God would deepen my walk with him, that I would be sensitive to opportunities to share the gospel, and that I would make wise decisions in responding to requests to disciple others

• That I would be able to effectively communicate what God is doing in Peru to my supporting churches and other individuals, and that God would use me to challenge others to be a part of his plan for cross-cultural missions

• God's direction regarding a property for the Seminary—sale of camp property, discernment in working through paperwork issues, vision and wisdom as to additional uses for the property
