**Serving with
InterVarsity at the Milwaukee School
Of Engineering**

Ministry Description

I serve as a Campus Staff Member in the greater Milwaukee area, focusing specifically at the Milwaukee School of Engineering. I work closely with the student Leadership Team, leading and guiding them to help the InterVarsity chapter grow in their love of God, God's Word, God's people of every ethnicity and culture, and God's purposes in the world. Utilizing individual discipleship I focus on helping students grow closet to the Lord, discover more of their identity in Him, and develop them into lifelong followers of Christ.

Prayer Requests

- Pray for the MSOE students that they would learn more of who God is and how He loves each and every one of them.
- Pray that I would continue to grow into who God wants me to be, specifically around the area of advocating for the less fortunate.

Psalm 37:30—"The mouth of the righteous utters wisdom, and their tongue speaks justice."
