Pray for Our Missionaries

Chris and Liz Lovelace

Serving as Bible Translation Consultant

Ministry Description

The main roles of this ministry are to provide indigenous translation teams with guidance, encouragement and technical help on translation-related issues. As teams of indigenous translators render the Bible into their own heart languages, Chris works with them to check the renderings verse-by-verse against the biblical languages for exegetical accuracy, communication effectiveness, naturalness, and consistency. Chris trains translation team members in exegetical and translation principles and methodology, and also in methods for testing translations.

Prayer Requests
