### Ministry Description

Jay conducts lectures, seminars and sermons for churches, Christian schools, camps, conferences, Christian organizations on state university campuses, etc. He shares evidences for the authority and inspiration of God's Word, particularly the validity of the Genesis

creation account. His aim is to strengthen the faith of the believer and graciously challenge the skeptic.

### Prayer Requests

- Discernment regarding the most effective way to enhance our message to reach youth, many of which are walking away from their faith after high school.
- Wisdom regarding how to pursue all of the growth opportunities we are experiencing.
- More connections to speaking at conferences which greatly helps our message get out.
