Ministry Description

The main roles of this ministry are to provide indigenous translation teams with guidance, encouragement, and technical help on translation-related issues. Chris also evaluates when translations are ready for publication and then he makes formal recommendations for publication.

Psalm 126:1-3—"When the Lord restored the fortunes of Zio, we were like those who dreamed. Our mouths were filled with laughter, our tongues with songs of joy. Then it was said among the nations, "The Lord has done great things for them." The Lord has done great things for us, and we are filled with joy."
