Ministry Description

Support and coach the students in the 10-month discipleship program (Greenhouse Gap Year) as they explore their calling and grow closer to God. Together we seek to impact the lives of teenagers and serve the community of Bicester.

Prayer Requests

- For the girls I am personally investing in to grow in their awareness of the need they have for Jesus and in their knowledge and experience of God
- For the students I am coaching in the Greenhouse gap year program to catch a vision for reaching young people across the UK and around the world
- For discernment and growth as I keep following God's lead in reaching young people and training youth workers
