Pray for Our Missionaries

Chris and Elizabeth Lovelace

Serving with The Seed Company

Ministry Description

Chris serves as a Bible translation consultant. His main roles are to provide indigenous translation teams with guidance, encouragement, and technical help on translation-related issues. Chris trains translation team members in exegetical and translation principles and methodology, and also in methods for testing translations. He evaluates when translations are ready for publication and then he makes formal recommendations for publication.

Prayer Requests

- Pray for our family to thrive in Mexico. It is important for us to love the people and enjoy our new home. Our children need to form good friendships and become fully comfortable with Spanish.
- Pray for our partnerships with our Mexican colleagues in ministry.
- Pray for our health. Each time that our family does something directly engaged with Bible translation, we experience spiritual warfare. Often this takes the form of some kind of illness in the family.
