

LOFT Weekly Update April 8 – April 15

Attention 2019 Seniors!

Spring Creek Church Timothy Fund

Depending upon available funding, there are a limited number of scholarships available for members who are pursuing journeyman status or a degree, undergraduate or graduate, from an accredited institution. Consideration is given to financial need, Christian character and a consistent level of participation in the current ministry of Spring Creek Church. Consideration is given, but not exclusively, to those attending a Christian University.

This year we have an additional opportunity to provide a scholarship to someone interested in attending Cedarville University. The scholarship is intended for someone who, without the scholarship, would not be able to attend Cedarville.

The deadline for receiving fully completed applications is this Mon April 15th with awards being made by April 30th.

The Great Escape is part of a nation-wide ministry called YCM – Youth Conference Ministry.

They have been offering camps to students since the mid-80's and have done so successfully throughout the US and internationally. Each year they bring in new speakers, new worship teams / bands to bless the students and leaders for the week – it is an action packed week from dawn to dusk each day, but great stuff!

Skill development... We will learn the importance of learning and developing skills that make life stronger/more mature.

Immaturity is laziness in learning. Maturity is taking the initiative for skill development, which leads to increased strength in life.

This is the last month of our Wednesday night Live @ The Loft for the 2018-19 school year, so don't miss out on these important final opportunities.

This Sunday April 14th

Middle School 9:30AM, High School 11AM

READ: 2 Samuel Chapters 11-15

In this section of 2 Samuel we see David does not inquire of the Lord, he lives in the wrong direction and it cost him, his family & the nation of Israel.

This is a drastic turning point in his life in 2 Samuel 11-12 & into the rest of the book.

It is important to learn from good examples of David & bad examples, to increase our chances of living with wisdom vs. in foolishness. JOIN US THIS WEEK... To learn some important positive leadership principles & the Covenant that God makes with David which is a huge theme in Scripture.

Much of the Bible does not make sense, if you do not understand this section and what God does for David and for all who seek to follow Him.
